Introduction

Welcome, our CEO Mr. Majambura. As we align under your mission to scale our revenue and sharpen our product performance, today’s presentation serves as our strategic baseline. By analyzing our historical data, we’ve identified the specific levers that drove our past successes and—more importantly—the friction points we can now eliminate. This isn't just a look back; it’s a roadmap of actionable insights to fuel our next phase of growth.

Analysis

Focus Being on Revenue By Month and Revenue By Time Buckets

Revenue By Month

Insights : June sales are twice the January sales , the rapid increase in sales increase sharply in May, this is due to change in season so customers find comfort in indulgent winter warmers

Revenue By Time Buckets

Insights : Morning sales make up the bulk of the sales in the morning with tea and coffee topping the sales and this is due to them being easy and quickly to prepare

The way to get started is to quit talking and begin doing.

Prof Rhofiwa Roy Nemukula

Recommendations

Menu Strategy

- Simplify for Speed – Streamline the menu to include easy to execute items during peak hours to reduce service bottlenecks
- Health-Conscious Options –Offer dairy free and healthier alternatives
- Leverage Leftover Stock

Revenue Drivers

- Loyalty Cards – Introduce loyalty cards as to encourage regular visits to the stores
- Bundle Deals – Offer bundles especially during off peak hours to encourage the traffic
- Warm Up Online Presence – Update Google Business Profiles & promote your shop as a perfect “work from home” alternative with reliable Wi-Fi

Summary

1. Revenue Growth Strategies
2. Operational Efficiency & Throughput
3. Technology & Retention
4. Maximizing the Physical Space
